

Changes in the Board of Management

Everything is in motion - including our company and our employees. Movement always brings changes and there was one in our Management Board as of February 2022.

Mr. Hartmut Auer worked for HA-BE as Chief Financial Officer since 2019. He has now decided to take on a new professional challenge closer to home and left HA-BE at his own request on January 31, 2022. We would like to take this opportunity to thank him for his great commitment over the past years, which has significantly contributed to the success of the company. We wish him all the best and much success in his professional and private life.

As of February 1, 2022, Mr. Claus Föckersperger took over the position of CFO. With Mr. Föckersperger, we were able to gain a very experienced managing director who has gathered extensive experience in the industrial sector over the past 26 years. He held a variety of management positions at an international automotive supplier both in Germany and abroad. The main focus of his activities was in the commercial area.

Mr. Föckersperger is ready to address the big and responsible tasks with great motivation and we wish him every success and energy for his new position.
